

Restoring the beauty that cancer steals.

Hello,

Cancer has affected the lives of so many people. We have all loved someone with cancer, cared for a co-worker in treatment, prayed with a fellow parishioner who is struggling or we have had our own battle with cancer. And we have all wished there was something more we could do. Hello Gorgeous! was developed as an answer to that wish.

My name is Kim Becker. I am a co-founder of Hello Gorgeous! and this non-profit has been labor of love, developed with my late husband, Michael. Our goal has been to restore the power, dignity and beauty that cancer steals. We have been honored to serve so many beautiful, spirit-filled women during our many years of service.

In 2006, Hello Gorgeous! became a 501(c)(3) non-profit organization and we are still growing! We have developed a salon affiliate program to allow us to share our knowledge and experience across the country. We have provided training to salons in 15 states, reaching more than 700 stylists, from coast to coast. We are proud of our work and we are looking forward to continued exposure and growth for the organization.

But then there was 2020... and like many of you, we realized that a change was required due to the pandemic. We began the process of shifting from in-person makeover to virtual makeovers. It has been a challenge and a gift to adapt to the needs of our Gorgeous! Women.

Hello Gorgeous! is 100% donation driven and we need your gifts to continue our work. Would you please consider sponsoring our golf outing? Let the country know you support Hello Gorgeous! and the Gorgeous! Women we humbly serve.

I have the best job in the world and I need your help to continue that job.

Thank you for helping us, help more women!

God Bless,

Kim M. Becker  
Co-Founder of Hello Gorgeous! of Hope, Inc
